

#### Thursday 25 September

##### EFAS School

Room 15 – Centre enseignement et congrès - Hopital Pierre-Paul Riquet - CHU Purpan

<b>13:00 - 14:00</b>	<b>Registration</b>
<b>14:00 -</b>	<b>Welcome <i>Alessandra Fanciulli – Giacomo Chiaro</i></b>
<b>14:00 - 15:00</b>	<b>EFAS school part 1</b>
	<i>Anatomy and physiology of the ANS - <b>Diogo Carneiro</b> (Portugal)</i>
	<i>Fundamentals of cardiovascular and sudomotor tests - <b>Walter Struhal</b> (Austria)</i>
<b>15:00 - 17:15</b>	<b>EFAS school part 1 - Hands-on:</b>
	1. <i>Tilt-table test - (Finapres device) <b>Roland Thijs</b> (The Netherlands)</i>
	2. <i>Bed side evaluation and Schellong test - <b>Cristian Falup-Pecurariu</b> (Romania)</i>
	3. <i>Sudomotor testing - QSART - <b>Mario Habek</b> (Croatia)</i>
	4. <i>Neuro- Urological assessment - <b>Claire Hentzen</b> and <b>Evelyne Castel-Lacanal</b> (France)</i>
	5. <i>Sexual assessment - <b>Ivan Adamec</b> (Croatia)</i>
<b>17:15 - 17:30 :</b>	<b>Coffee break</b>
<b>17:30 - 18:30</b>	<b>Master class - Discussion of clinical cases - <i>Walter Struhal</i></b>
<b>18:30 - 19:00</b>	<b>EFAS council meeting</b>

#### Friday 26 September

<b>08:45 - 9:05</b>	<b>Opening: <i>Roland Thijs - Alessandra Fanciulli - Anne Pavy-Le Traon</i></b>
<b>09:05 - 10:50</b>	<b>EAN/INUS/EFAS Session</b>
	Chairs : <i>Elena Moro</i> (France) and <i>Alessandra Fanciulli</i> (Austria)
<b>9:05 - 9:30</b>	<i>The EAN Brain Health mission - <b>Elena Moro</b> (France)</i>
<b>9:30 - 9:50</b>	<b>EFAS Presidential lecture “Improving autonomic healthcare provision” - <i>Alessandra Fanciulli</i> (Austria)</b>
<b>9:50 - 10:10</b>	<b>EFAS/INUS/EAN NeuroGed guidelines: key outcomes for neurologists - <i>Jalesh Panicker</i> (United Kingdom)</b>
<b>10:10 - 10:30</b>	<i>The autonomic unit project - <b>Mario Habek</b> (Croatia)</i>
<b>10:30 - 10:50</b>	<i>Autonomic Nervous System education in Europe: EAN/EFAS/INUS survey on curricula and skills in autonomic medicine of European neurology residents and consultants - <b>Diogo Carneiro</b> (Portugal)</i>
<b>10:50 - 11:20</b>	<b>Coffee break</b>
<b>11:20 - 13:00</b>	<b>Session 2: The autonomic borderlands</b>
	Chairs: <i>Roland Thijs</i> (The Netherlands) and <i>Alexandre Bisdorff</i> (Luxemburg)
<b>11:20 - 11:40</b>	<i>Sleep apnea, impaired cardiac autonomic control, and metabolic syndrome: a tricky relationship <b>Frederic Roche</b> (France)</i>
<b>11:40 - 12:00</b>	<i>The autonomic manifestations of epilepsy - <b>Roland Thijs</b> (Netherlands)</i>
<b>12:00 - 12:20</b>	<i>Between vertigo and orthostatic dizziness - <b>Alexandre Bisdorff</b> (Luxemburg) (TBC)</i>
<b>12-20 - 12:40</b>	<i>ANS and sleep in neurodegenerative disorders: what’s new? <b>Luca Baldelli</b> (Italy)</i>
<b>12:40 - 13:00</b>	2 short (10 min) presentations

#### Friday 26 September Afternoon session

<b>13:00 - 14:30</b>	<b>Lunch – Poster tour (or e poster)</b>
<b>14:30 - 16:00</b>	<b>Session 3 : Diabetes and metabolic disorders</b> Chairs: <b>Astrid Juhl Terkelsen</b> (Denmark) and <b>Max Hilz</b> (Germany)
<b>14:30 - 14:50</b>	<i>Autonomic failure in diabetes – an overview - <b>Max Hilz</b> (Germany)</i>
<b>14:50 - 15:10</b>	<i>Update on diabetes treatment what are the benefits for autonomic neuropathy: - <b>Helène Hanaire</b> (France)</i>
<b>15:10 - 15:30</b>	<i>How to better manage small fiber diabetic neuropathies - <b>Astrid Juhl Terkelsen</b> (Denmark)</i>
<b>15:30 - 16:00</b>	3 short presentations
<b>16:00 - 16:20</b>	<b>Coffee break</b>
<b>16:20 - 17:40</b>	<b>Session 4: How does the ANS respond to extreme environments &amp; sport</b> Chairs : <b>Gianfranco Parati</b> (Italy) - <b>Jacques-Olivier Fortrat</b> (France)
<b>16:20 - 16:40</b>	<i>To the moon and back: the autonomic nervous system in space-Space to clinic <b>Anne Pavy-Le Traon</b> (France)</i>
<b>16:40 - 17:00</b>	<i>CV regulation by the ANS: which constraints in hypergravity and which use for training in extreme situations? <b>Pierre Fabries</b> (France)</i>
<b>17:00 - 17:20</b>	<i>Cardiovascular effects of high altitude exposure - <b>Gianfranco Parati</b> (Italy)</i>
<b>17:20 - 17:40</b>	2 short presentations
<b>17:40 - 18:30</b>	<i>Update in the management of autonomic disorders</i> Chairs: <b>Cristian Falup-Pecurariu</b> (Romania) and <b>Beatrice Duly-Bouhanick</b> (France)
<b>17:40 - 17:55</b>	<i>Management of neurogenic orthostatic hypotension: what's new? <b>Valeria Iodice</b> (United Kingdom)</i>
<b>17:55 - 18:10</b>	<i>Management of primary hyperhidrosis <b>Laurent Misery</b> (France)</i>
<b>18:10 - 18:30</b>	2 short presentations
<b>18:30 - 19:00</b>	<b>EFAS General assembly</b>

#### Saturday 27 September

<b>9:00 - 10:20</b>	<b>Session 5: ANS and Neuromodulation</b> Chairs : <b>Philippe Maury</b> (France) and <b>Michele Brignole</b> (Italy)
<b>9:00 - 9:20</b>	<i>From pathophysiology of the autonomic nervous system to renal denervation: which clinical applications in hypertension? - <b>Atul Pathak</b> (Monaco)</i>
<b>9:20 - 9:40</b>	<i>Hope hype or reality of cardio neuroablation in reflex syncope: <b>Michele Brignole</b> (Italy)</i>
<b>9:40 - 10:00</b>	<i>Vagal nerve stimulation and prognosis of acute cerebral lesions: data from experimental and clinical studies <b>Nathalie Nasr</b> (France)</i>
<b>10:00 - 10:20</b>	2 short presentations
<b>10:20 - 10:40</b>	<b>Coffee break</b>
<b>10:40 - 12:10</b>	<b>Session 6: Alpha-synucleopathies</b> Chairs : <b>Iva Stankovic</b> (Serbia) and <b>Mario Habek</b> (Croatia)
<b>10:40 - 11:00</b>	<i>Diagnostic and progression biomarkers in alpha-synucleopathies: how to navigate towards disease modification - <b>David Bendetowicz</b> (France)</i>
<b>11:00 - 11:20</b>	<i>When autonomic symptoms guide the diagnosis of a movement disorder - <b>Iva Stankovic</b> (Serbia)</i>
<b>11:20 - 11:40</b>	<i>The gut in Parkinson's disease: Bottom-up, top-down, or neither? <b>Pascal Derkinderen</b> (France)</i>
<b>11:40 - 12:10</b>	3 short communications
<b>12:10 - 12:55</b>	<i>Can we already modify the disease course in autonomic disorders...yes, no or maybe?</i> Chairs: <b>Valeria Iodice</b> (United Kingdom) and <b>Pietro Guaraldi</b> (Italy)
<b>12:10 - 12:25</b>	<i>Immune-mediated autonomic failure <b>Giacomo Chiaro</b> (United Kingdom)</i>
<b>12:25 - 12:40</b>	<i>Amyloid neuropathy <b>Pietro Guaraldi</b> (Italy)</i>
<b>12:40 - 12:55</b>	<i>Multiple System Atrophy <b>Margherita Fabbri</b> (France)</i>
<b>13:00</b>	<b>Awards – Closing ceremony</b>
